**2021 DUES DRIVE**

*Dear Neighbors and Friends,*

Please be assured that while current events may have interrupted many of our daily routines, the men and women of the Brookline Fire Company stand ready to respond. We have implemented strict protocols and guidelines to ensure every member is properly protected so that we can continue to provide you with the best fire protection possible.

Our members have been learning new protocols, methods, and practices to remain healthy and safe during this pandemic. These measures will also help ensure that in the event we do need to respond to an emergency, you and your family would be protected as well.

You can be assured the Brookline Fire Company is here for you. We are a strong and resilient community, and the men and women of our company will continue to respond to calls for help throughout this pandemic.

Your donation to the Brookline Fire Company will greatly benefit our company. Every day the news shows more and more cancellations and closures. This will not happen to us, thanks to your support.

*The Brookline Fire Company thanks you for your past and continued support!*
